Feedback Froglogic, Canoe Geo teambuilding Ratzeburger Lake

Thank you very much for the wonderful day in Ratzeburg. It was a very well planned day, the whole team loved it! Back to work I get the praise, but it belongs to you! We still feel the "good vibrations" the team day generated. Thank you, it was exactly what we hoped for.

Client's feedback from Sanofi Aventis - iRallye

"Even with a few raindrops at the beginning the whole rally turned into an exciting treasure hunt. I am happy to just pass the praise and positive feedback of the whole team. The organization was brilliant. We liked very much the clear initial briefing and the relaxed support from the trainers during event. The iDevices and the iRallye app were well received, too. Bodacious tasks, hidden treasures and having a fine time in our team made the 3h really unforgettable.
Upshot: An amazing team building activity, that we can gladly recommend . Thank you very much for your commitment and enthusiasm! "
